**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I support broadband competition. I choose a competitive small internet provider after annual increases by the large provider that previously provided my service made their service too expensive. Broadband access is critical to my work as a writer and consultant. My small ISP also provides inexpensive telephone service.
